

# GUIDE ON HOW TO STUDY

## Starting and Sustaining Self-Study Success

### PARTICIPANTS IN ANY OF THE COURSES

#### **BEGIN AND CONTINUE**

The courses are structured into multiple lessons, with topics as part of the lessons in some cases. You are free to navigate around the courses and organise your own study.

#### **REGISTER & LOGIN**

Register for the learning platform to earn points, badges, and certificates of participation. You can also attend courses and participate in forums by registering and signing in.

#### **READ AND WATCH**

You can read, watch, and browse the materials in the e-classroom and, as the materials suggest, access the internet freely without having to register or sign in.

#### **CHECK OUT THE QUIZZES**

You must be registered and logged in to test your knowledge. The majority of quizzes have 10 multichoice questions

#### **ACCUMULATE POINTS**

To collect points and earn badges, you must register and log in, watch all of the videos, mark the topics and lessons as completed, and answer at least 60% of the quiz questions correctly.

#### **OBTAIN THE CERTIFICATE**

Assume you wish to get a certificate of participation for the course. In such a case, you must be logged in, watch the course videos, mark all the topics and lessons as done, and pass at least 60% of the course quizzes.
